

Help us make a difference in the lives of women worldwide! We will be continuing our amazing fight against breast cancer during the 5th annual Project Cure 3-day walk October 29 - 31, 2010.

Our goal is simple. Through the power of prayer coupled with the generous donations from caring people, we hope to provide the two most important resources for the advancement of breast cancer treatment.

100% of the proceeds we raise benefit the Don and Erika Wallace Comprehensive Breast Program at the H. Lee Moffitt Cancer Center and Research Institute.

We will win this battle – one prayer and one dollar at a time! Please join us October 29 - 31, 2010 for the Project Cure 3-day walk. Sign in begins at 6:00 a.m. for the full walk or 9:00 a.m. for the 4-mile walk. Everyone is welcome and encouraged to help support this cause.

If you are interested in forming a team or participating on your own, please visit www.projectcure.ststephencatholic.org. We encourage all walkers to help raise funds for breast cancer research regardless of how far they plan to walk. However, there are no minimum fundraising requirements to participate in Project Cure.

Donations may be made online at www.projectcure.ststephencatholic.org or by sending a check made out to St. Stephen Catholic Church (with Project Cure on the memo line) and mail it to St. Stephen Catholic Church office at 5049 Bell Shoals Rd. Valrico, FL 33596

Making a Difference in The Fight Against Breast Cancer

Help us make a difference in reaching our goal of raising \$50,000 for the Don and Erika Wallace Comprehensive Breast Program at the H. Lee Moffitt Cancer Center and Research Institute. Project Cure is a community event sponsored by St. Stephen Catholic Church. 100% of the proceeds raised go to the fight against breast cancer.

Benefiting the H. Lee Moffitt Cancer Center
and Research Institute

You Can Make a Difference in the
Fight Against Breast Cancer!

Project Cure invites you to form a team to walk all or part of our 3-day walk to end breast cancer October 29 - 31 Sign-in is located in the Bloomingdale East Park covered pavilion.
